

What are cookies?

Cookies are small text files that are placed on your computer or device when you visit a website. They are widely used in order to make websites work more efficiently and provide basic functionality such as remembering preferences or filling out forms. They are also used to provide information and insights to the owners of the site that help to improve performance and offer a better user experience.

Cookies on gwhighways.com

This site uses cookies. The table below explains the cookies we use and why. We will not use any of this data to personally identify you.
